EXPERIENCE

Web Designer & graphic designer

School of Humanities and Social Sciences

Sep 2023 – Ongoing (Part-time) Al Akhawayn University

- Developed a user-centric, informative website for the School of Humanities.
- Ensured accurate online representation of the school through active stakeholder engagement.
- Created consistent and engaging graphic elements to enhance website appeal and brand alignment.

Self-Employed Entrepreneur

Digital Transformation and Web Services Agency

Oct 2022 – Ongoing Morocco

- Led the development and deployment of strategic digital solutions, enhancing client business efficiency and profitability.
- Managed diverse client relationships and oversaw successful, on-budget project completions from conception to implementation.
- Built and led a skilled digital team, promoting a culture of innovation and maintaining high-quality service delivery.

Treasurer & Head of Event Organization

Japanese Circle Club at AUI

May 2021 – May 2022 Al Akhawayn University

- Managed the Japanese Circle Club's finances, ensuring prudent budgeting, accurate accounting, and optimal allocation of resources.
- Led the planning, coordination, and execution of various club events, ensuring they were successful, well-attended, and aligned with the club's objectives.
- Directed a collaborative event organization team, ensuring synchronized efforts, clear communication, and proficient role fulfillment.
